Sing, Strum, Paint & Perform
– Creativity Awaits!

Presents:
After School Programs

Get ready for this upcoming winter of creativity! At our Kids Creative Workshops, young artists will dive into fun with art projects, ukulele jams, kids karaoke, and hands-on crafts. From painting to performing, there's something for every imagination.

Inspiring creativity, confidence, and connection through art and music

WHAT WE OFFER?

After School Programs

Learn to strum and play fun songs with beginner-friendly ukulele sessions

03

Visual Arts & Mixed Media

Explore multiple mediums, seasonal projects both on and off a canvas

04

Creative Confidence

Performing Arts & interactive classes that build stage presence and confidence

About Us

At Sunset Studios Boston, we bring fun, expressive, and confidence-building art and music programs directly to your school.

Our programs are available for kindergarten and up, offering 6 or 8 week sessions as well as one-day creative workshops.

We partner with schools, libraries, community centers, and private events such as birthdays to give children an engaging, memorable experience.
